

PRAYER FOR VENEZUELA

God, our hope and sustainer in critical times, we pray for the people of Venezuela and the churches in that country as they keep searching to be faithful servants of the Gospel and active promoter of your reign. May the expectations, urgencies and demands of so many tasks provide a sense of direction and vision, as they wait for the strength and the blessing that comes from You in due time.

We pray specially for,

- The new generation of theological students enrolled in the Center for Theological Studies of Venezuela
- The Women's Program "Families as Peacemakers"
- The National Program, "All Hands in the Harvest" co-sponsored by the UEPV
- We thank you for the new congregations accepted as members of the UEPV in 2010.
