

Junior High Youth Event

Come, see, learn, play... Junior High Youth Event:

Junior High Youth Event is an excellent opportunity for Junior High youth to meet new friends, see camp friends and strengthen current friendships. This event will provide Junior High youth the freedom to explore their faith relationship in a new way through the reflection of social justice issues, music, dance and so much more!

Music is an important part of our social life and it is just as important in our spiritual life. So, this year our theme will be "Plug into God." We will explore some of our favorite music on the radio, reflect on praise music and listen to a live keynote band.

What else will we be doing during the weekend? We will be cooking, baking, going to workshops, singing, dancing, laughing, playing games, eating lots of yummy foods and so much more!
